Colour palette

We decide to follow the McGill style of colour.

	#ED1B2F
	#FFFFFF
	#D4D4D4
	#F4F4F4
	#000000

We will also use different opacity/shade of the above color palette.

Typefaces

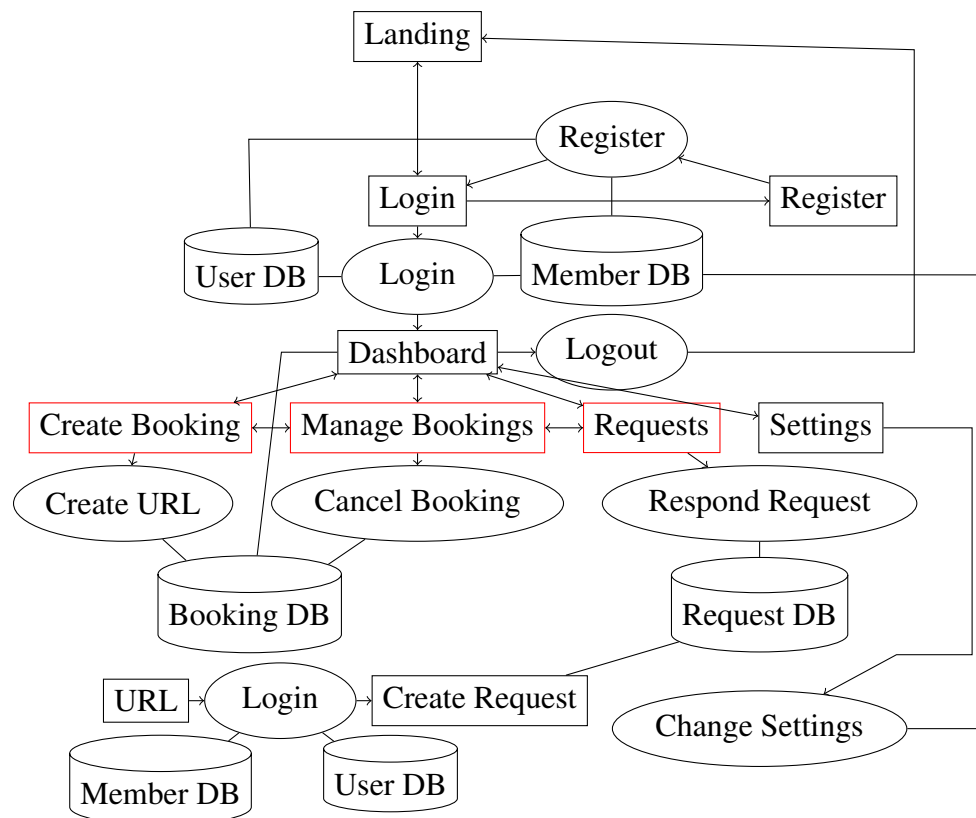

We will use Arial for all of the content.

Logo

Storyboard

Below is our storyboard for our website. Rectangles are for webpages, ellipses are for programs, and cylinders are for databases. Member DB and User DB are repeating twice but they refer to the same database each. Red rectangle pages are only visible to members.

Public pages: Landing, Login, Register, URL

Private pages: Dashboard, Create Booking, Manage Booking, Requests, Settings, Create Request

List of features for all users:

- Dashboard: Sees previous/upcoming appointments + change/cancel appointments.
- Create Request: Request a meeting upon URL.
- Settings: Change user settings.

List of features for McGill members:

- Manage Bookings: Modify existing bookings.
- Create Bookings: Create a new booking.
- Requests: See incoming request for bookings.
